seminar at on campus on the weekend of October 22-23, 2022. Classes will take place in Holmes Hall with breakfasts and lunches provided. Limited space, reserve now! MGMT 101 Company A needs your help with their final product selection - please take this short

survey for a sneak peek at our MGMT 101 product design!

Rock Lititz is a one of a kind production community that supports innovative creativity within the live event industry. With resources ranging from design, engineering and manufacturing through rehearsals, and beyond, Rock Lititz is a one-stop-shop to collaborate on any live experience.

SMIF is a two-semester course in which students manage a \$3 million portfolio. We are currently accepting applications from students who will be second-semester juniors in the spring of 2023, with the second semester to be completed in the fall of 2023. Admission is competitive. Accounting and Finance majors must have completed Investments prior to joining SMIF. All other majors are encouraged (but not required) to complete Investments prior to joining

the program. The deadline to apply is Friday, October 21, 2022. Late applications will not be To apply, <u>complete the following application</u>: In addition to your application, we may contact you to schedule an interview. Questions? Contact Curtis Nicholls or Frank Schreiner, Co-Directors of the SMIF,

at curtis.nicholls@bucknell.edu or frank.schreiner@bucknell.edu

Interested in investment banking, private equity, portfolio management, business and corporate development, capital markets, equity & credit research, and industry corporate finance careers?

This intensive 2-weekend seminar series is led by former investment bankers with applied expertise in financial modeling methodologies, and bridges the gap between academics and the

Duke University's

polarization in society.

• The deadline to submit a proposal is January 18, 2023 - Decisions will be released in February 2023 - Grand Prize winners will travel to Duke in Spring 2023.

Fuqua School of Business

Enter to Win an All-Expenses Paid Trip to Duke

We're searching for undergraduate students dedicated to exploring the different ways business can be a force for good in society. Current students in their freshman, sophomore or junior year of a four-year degree program at a U.S. college or university are invited to share their proposal for how a company, set of companies or industry sector can have positive impact on a specific community, population, location, industry or the environment at large.

You are welcome to pick existing companies or industries or present an entrepreneurial idea of your own. We hope your proposal will highlight any ways in

our idea will contribute to improving civil discourse and reducing

Ten grand prize winners will receive an all-expenses paid trip to Duke's Fuqua School of Business where they will present their proposals to influential business leaders and participate in a live case study. Winners who apply to and are admitted to one of Fuqua's one-year master's programs will also receive some partial scholarship funding.

To be eligible, applicants must be realdential. full-time undergraduate students in their freshman, sophomore or junior year at a college or university tocated in the United States. Students of any nationality or ofterstelps or evidence to a pupily. Applicants must be 18 years of a dage by flarior 1, 2023 to be eligible.
